Letter of Discharge**

User Name: [Enter Full Business Name]
Facility Address: [Enter Physical Location Address]
Mailing Address: [Enter Industry's Mailing Address]

The above named User is authorized to discharge wastewater to the City of Vancouver's sanitary sewer system in compliance with the Pretreatment Ordinance (Vancouver Municipal Code Chapter 14.10), any applicable provisions of Federal or State Law or regulation and all conditions contained in this Letter of Discharge. The City reserves the right to issue an Industrial Wastewater Discharge Permit at any time, for any reason.

The above User shall comply with the following conditions:

- 1.
- 2.
- 3.

The above named User may be inspected and monitored by the City of Vancouver's Pretreatment Personnel at any time per VMC 14.10.440. As also stated in VMC 14.10.340, the User shall notify the City of Vancouver of any changes in its operation, including wastewater discharges or an accidental spill to the sewer.

This Letter of Discharge is granted with reference to the Wastewater Discharge Permit Application signed by [Enter Name of Signatory on Application] and received by the City of Vancouver on [Enter Date Application Received] and in conformance with plans, specifications, and any other data submitted to the City.

This Letter of Discharge is effective [Enter Date] and is subject to terms of termination as specified in the Pretreatment Ordinance.
